

My name is Terry (Tex) O'Grady and I have recently taken over GCTPI as President & Ray Hockley as my Secretary.

I was appalled to see no one had put their hand up to nominate for the positions that are coming up.

I will nominate for President and Ray will nominate for Secretary subject to only if no one with experience nominates. The reason for this as I previously mentioned is we have just taken over the GCTPI and we're still learning the ropes so to speak!

But I'll be damned if I'll sit back and see the TPI association fold.

Happy to discuss via 'phone.

Kind Regards,

Tex O'Grady OAM JP(qual')
